

# Dang! Terms of Service

Dang Apps LLC | Last Updated: April 8, 2026

These Terms of Service (“Terms”) govern your access to and use of the Dang! mobile application, website, web application, reports, email delivery features, and related services we provide (collectively, the “Service”). By accessing or using the Service, you agree to these Terms. If you do not agree, do not use the Service.

## 1. Who We Are

Dang! is a contract-analysis software product offered by Dang Apps LLC (“Dang,” “we,” “us,” or “our”). Dang! is designed to help users review contracts and other agreements by generating automated informational reports, findings, risk flags, summaries, and follow-up responses.

## 2. Eligibility and Authority

You may use the Service only if:

- you are at least 18 years old, or otherwise legally capable of entering into a binding agreement where you live;
- you have the legal right to submit the document, image, text, or information to the Service for analysis;
- your use of the Service complies with applicable law and these Terms; and
- you will not submit materials you are prohibited from disclosing by law, court order, confidentiality obligation, or other enforceable restriction.

If you use the Service on behalf of a company, organization, or other entity, you represent and warrant that you have authority to bind that entity to these Terms.

## 3. Description of the Service

Dang! provides software tools that analyze user-submitted documents, extract information, evaluate document content against defined rules and logic, and generate informational outputs, which may include: risk reports; highlighted findings; severity ratings; plain-language explanations; limited follow-up chat or question-answer features tied to a report; and optional delivery or sharing features.

Features may vary between the iOS app, future Android versions, and the web experience. We may add, change, suspend, or remove features at any time.

## 4. Important Disclaimers and Service Limitations

### 4.1 Software, Not a Lawyer

Dang! is a software product, not a lawyer, law firm, or legal service provider. We do not hold ourselves out as attorneys, and we do not represent that the Service can perform the work of a licensed attorney.

## **4.2 Not Legal Advice**

The Service provides automated legal information and informational analysis only; it does not provide legal advice. Nothing in the Service, including any score, flag, summary, explanation, response, suggestion, or recommendation, is legal advice.

## **4.3 No Attorney-Client Relationship**

Use of the Service does not create an attorney-client relationship, fiduciary relationship, or other professional advisory relationship between you and Dang Apps LLC, its owners, employees, contractors, or affiliates.

## **4.4 Not a Substitute for Professional Advice**

The Service is not a substitute for a licensed attorney or other qualified professional. You remain responsible for reviewing the underlying document, understanding your circumstances, and making your own decisions. Dang may help identify issues, questions, and negotiation points, but it does not make legal decisions for you and should not be relied on as the sole basis for a significant legal or financial decision.

## **4.5 No Privilege or Confidential Legal Channel**

Communications with the Service are not protected by attorney-client privilege, work-product protection, or any similar doctrine merely because they involve legal subject matter. While we use reasonable measures designed to protect data in transit and during processing, the Service is not a substitute for a privileged or confidential legal consultation with your lawyer.

## **4.6 No Guarantee of Accuracy, Completeness, or Outcome**

The Service may miss issues, generate false positives, misread text, fail to identify important provisions, or produce outputs that do not apply to your circumstances. We do not guarantee that the Service will identify every risk, issue, legal consequence, deadline, or compliance obligation in any document.

## **4.7 Use at Your Own Judgment**

You are responsible for reviewing the original document and using your own judgment before taking action. Do not rely on the Service alone for urgent, deadline-sensitive, high-stakes, or heavily negotiated matters, including eviction or lockout disputes, employment termination, a home purchase or sale, a major business commitment, pending litigation, or any dispute that could materially affect your rights or finances. For important matters, consult a licensed attorney or other qualified professional.

## **4.8 In-App and In-Product Notices**

The Service may display abbreviated versions of these disclaimers within the app, web experience, upload flow, report flow, purchase flow, or related interfaces. Those notices supplement these Terms; they do not replace them.

## **4.9 Follow-Up Questions and Interactive Features**

The Service may allow follow-up questions or interactive features based on a generated report. Those features remain informational only. They may summarize, organize, or explain findings, but they do not provide legal representation, create a professional-services relationship, or make decisions for you about whether to sign, reject, enforce, or challenge a document.

## 5. Account Model

Dang! is designed to work without mandatory account registration for core use cases. Some features, such as email delivery, saved settings, waitlists, support, or future premium features, may require you to provide contact or other information. If we later introduce accounts, additional account terms may apply.

## 6. License to Use the Service

Subject to these Terms, Dang Apps LLC grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to access and use the Service for your personal use or internal business use. You may not: copy, reproduce, distribute, modify, or create derivative works of the Service except as allowed by law; resell, lease, sublicense, or commercially exploit the Service; reverse engineer, decompile, disassemble, or attempt to discover source code, models, prompts, rules, or underlying components except where prohibited by law; interfere with the integrity, security, or operation of the Service; or use automated means to scrape, overload, probe, or test the Service without authorization.

### 6.1 Permitted Use of Reports

Reports and related outputs are provided for your personal or internal business use in evaluating the specific document you submitted. You may not resell, license, white-label, or commercially exploit the Service or its outputs except as expressly authorized by us in writing.

## 7. Acceptable Use

You agree not to use the Service to: violate any law, regulation, court order, or third-party right; upload content you do not have the right to submit; analyze documents for unlawful surveillance, harassment, fraud, discrimination, or other abusive conduct; transmit malware or harmful code; interfere with or disrupt the Service; access non-public areas of the Service; use the Service to build or train a competing product; or misrepresent the Service's outputs as legal advice or as the work product of a licensed attorney.

## 8. User Content

**8.1 Ownership.** You retain ownership of documents, text, images, and other content you submit to the Service ("User Content").

**8.2 Limited License to Process.** You grant us a limited, non-exclusive license to host, transmit, process, analyze, display, and otherwise use your User Content solely as reasonably necessary to operate, secure, support, troubleshoot, improve, and provide the Service to you, and to comply with law.

**8.3 Your Responsibility.** You represent and warrant that you own or control the necessary rights in the User Content; your submission will not violate any law or third-party right; and your User Content does not contain material you are prohibited from disclosing or uploading.

## **9. Payments, Pricing, and Refunds**

### **9.1 Pricing and Billing**

We may offer the Service on a paid per-report basis, through one-time purchases, bundles, subscriptions, promotional access, or other pricing models. Prices, features, and availability may change over time.

### **9.2 Payment Processors**

Payments through the iOS app are processed by Apple. Payments through the website or web app may be processed by Stripe or another third-party processor. Your use of those payment services may be subject to their separate terms and privacy policies.

### **9.3 One-Time Purchases**

Except where required by law, one-time purchases are final once analysis or processing has begun. If a purchase fails to produce a report due to a technical problem caused by us, contact [support@dangcontracts.com](mailto:support@dangcontracts.com) within 7 days and we will review the issue.

### **9.4 Subscriptions and Automatic Renewal**

If we offer subscriptions, we will disclose the recurring billing terms, renewal cadence, cancellation method, and any trial-to-paid conversion terms before purchase. Unless otherwise stated, subscriptions automatically renew until canceled. You may cancel through the platform where you subscribed or through any other method we make available to you. Cancellation will stop future renewals but will not retroactively refund charges already incurred, except where required by law or expressly stated otherwise.

### **9.5 Platform-Specific Billing**

App Store purchases, subscription management, and certain refund requests may be handled by Apple under Apple's rules. Website purchases and any website subscription management may be handled through Stripe or another designated processor.

## **10. App Store Terms**

If you access the Service through an app distributed by Apple, you acknowledge that these Terms are between you and Dang Apps LLC, not Apple; Apple has no obligation to provide maintenance or support except as required by law; Apple is not responsible for claims relating to the app except as required by law; and you will comply with applicable third-party terms.

## **11. Privacy**

Your use of the Service is also governed by our Privacy Policy. Please read it carefully. By using the Service, you acknowledge that we may process information as described there.

## **12. Intellectual Property**

The Service, including our software, designs, trademarks, branding, interfaces, text, graphics, compilations, reports (excluding your original User Content), rule structures, and related materials, is owned by Dang Apps LLC or its licensors and is protected by intellectual property and other applicable laws. Except for the limited rights expressly granted in these Terms, no rights are granted to you.

## **13. Feedback**

If you send us comments, suggestions, ideas, or other feedback, you grant us a non-exclusive, worldwide, royalty-free right to use and incorporate that feedback without restriction or compensation, provided that this does not give us ownership of your original document content.

## **14. Suspension and Termination**

We may suspend, restrict, or terminate your access to the Service if we reasonably believe you violated these Terms; your use creates security, legal, or operational risk; your use is fraudulent, abusive, or unlawful; or we are required to do so by law. You may stop using the Service at any time. Sections that by their nature should survive termination will survive.

## **15. Disclaimers of Warranties**

The Service is provided “as is” and “as available.” To the maximum extent permitted by law, we disclaim warranties of merchantability, fitness for a particular purpose, non-infringement, and any warranty arising from course of dealing or usage of trade. We do not warrant that the Service will be uninterrupted, error-free, complete, or suitable for every document type, jurisdiction, or use case.

## **16. Limitation of Liability**

To the maximum extent permitted by law, Dang Apps LLC and its affiliates, officers, employees, contractors, and service providers will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of profits, revenue, goodwill, data, business opportunity, or other intangible losses, arising out of or related to your use of or inability to use the Service.

To the maximum extent permitted by law, our aggregate liability for all claims arising out of or related to the Service will not exceed the greater of: (a) the amount you paid us for the specific report or Service giving rise to the claim in the 12 months before the event giving rise to liability, or (b) US \$100.

## **17. Indemnity**

To the maximum extent permitted by law, you agree to indemnify, defend, and hold harmless Dang Apps LLC and its affiliates, officers, directors, employees, contractors, agents, licensors, and service providers from and against any claims, demands, liabilities, damages, losses, and expenses (including reasonable attorneys’ fees) arising out of or relating to your User Content, your violation of these

Terms, your violation of applicable law, or your infringement of any third-party rights.

## 18. Force Majeure

We are not liable for any failure or delay in performance caused by events beyond our reasonable control, including acts of God, natural disasters, internet or telecommunications failures, cloud or hosting outages, power failures, labor disputes, civil disturbances, war, terrorism, epidemics, government actions, or failures of third-party service providers.

## 19. Changes to the Service or These Terms

We may modify the Service or these Terms from time to time. If we make material changes, we may provide notice through the Service, by email, or by other appropriate means. The updated Terms become effective when posted. Your continued use after the effective date means you accept the updated Terms.

## 20. Informal Dispute Resolution

Before filing a lawsuit or other formal proceeding relating to the Service or these Terms, you agree to first contact us at [legal@dangcontracts.com](mailto:legal@dangcontracts.com) and provide a brief written description of the dispute and the relief requested. We agree to try in good faith to resolve the dispute informally for 30 days after that notice is received. This informal process does not prevent either party from seeking emergency injunctive or equitable relief where necessary.

## 21. Governing Law and Venue

These Terms are governed by the laws of the State of Florida, without regard to conflict-of-law rules. To the extent a dispute may be brought in court, you and Dang Apps LLC agree to the exclusive jurisdiction and venue of the state or federal courts located in Broward County, Florida, except where applicable law requires otherwise.

## 22. Miscellaneous

**Entire Agreement.** These Terms and the Privacy Policy form the entire agreement between you and us regarding the Service. **Severability.** If any provision is held invalid, the remaining provisions remain in full force. **No Waiver.** Our failure to enforce any provision is not a waiver. **Assignment.** You may not assign these Terms without our consent. We may assign in connection with a merger, acquisition, or sale of assets.

## 23. Contact and Notices
